Sir:

Applicant respectfully requests consideration of the following remarks submitted in response to the Office Action dated June 17, 2003.

**REMARKS**

Claims 1-20 are now pending in this application. Claims 1-20 stand rejected.

The objection to the drawings under MPEP § 608.02 is respectfully traversed.

Figures 1 and 2 illustrate a CT imaging system including a machine readable medium 52, described for example at page 6, lines 19-21, of the specification. In addition, Figures 3-6 also illustrate that the machine readable medium is configured to accomplish the methods illustrated in Figures 3-6. Accordingly, Applicant respectfully submits that Figures 1-2 are not Prior Art. Rather, Figures 1-2 illustrate a CT imaging system including a computer readable medium that is
